PBA RETIREMENT RECEPTION

**HONORING
1986
RETIREEES**

THE P.B.A. *Says "Thanks"*

The P.B.A. (Erie Club of Buffalo), is an organization comprising members of the Buffalo Police Department. Primarily, its activities concern the welfare of the members. While its purpose has long created good will and understanding among police officers, it is not unmindful of the welfare of the citizens of Buffalo.

For years the P.B.A. has worked hard for the welfare of officers and has made rapid progress to improve their professional status. The members feel that would have been impossible without the sincere, whole-hearted support they have received from the great people of Buffalo.

For this reason, we have taken every opportunity to aid and develop charitable activities of many kinds. Each year we contribute to numerous bonafide charities, both spiritually and financially, and without publicity or fanfare.

For YOUR help in all our activities, the P.B.A. extends a sincere "thank you" to everyone attending this event. We extend our appreciation along with a pledge to provide our citizens with the best possible protection at all times.

LARRY J. BAEHRE
President P.B.A.
